

DEPARTMENT OF MEDICINE AND EPIDEMIOLOGY
SCHOOL OF VETERINARY MEDICINE
UNIVERSITY OF CALIFORNIA, DAVIS

Assistant/Associate Professor of Dermatology

The Department of Medicine and Epidemiology in the School of Veterinary Medicine at the University of California-Davis is recruiting for an Assistant/Associate Professor of Dermatology.

SALARY: The current base pay range is \$160,900 - \$208,700. Other components of pay may be offered when necessary to meet competitive conditions qualifications and experience.

QUALIFICATIONS: Veterinarian (DVM or equivalent) with advanced training in veterinary dermatology is required. Board certification or eligibility in the American College of Veterinary Dermatology (ACVD) or European College of Veterinary Dermatology (ECVD) is required. Advanced research training (MSc/PhD/Post-doctoral Fellowship) is preferred but not required. Clinical experience and competence in veterinary dermatology is required. Demonstrated aptitude/experience in teaching is required. Documented research record or potential to develop a focused dermatology research program is required. Must possess excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team atmosphere. A valid license to practice veterinary medicine in California is required at the time of employment (California Business and Professions Code Section 4846-4857). Individuals not eligible for a full California license can obtain a University License (California Business and Professions Code Section 4848.1).

A complete position description is available online at <https://recruit.ucdavis.edu/JPF05649>

To receive fullest consideration, applications must be received by June 2, 2023; position open until filled. Interested applicants should submit 1) a letter of intent outlining special interest in the position, overall related qualifications and experience and career goals; 2) curriculum vitae; 3) a statement summarizing the applicant's research program/or interests; 4) a statement of clinical and didactic teaching philosophy; 5) the names and addresses of four professional references; 6) a statement summarizing experience and professional contributions in the area of equity and diversity and 7) Authorization to Release Information Form. Application materials must be submitted by using the University's online submission program, <https://recruit.ucdavis.edu/JPF05649>

The University of California, Davis and the Department of Medicine and Epidemiology, School of Veterinary Medicine, are interested in candidates who are committed to the highest standards of scholarship and professional activities, and to the development of a campus climate that supports equality and diversity.
